Dear Ms Credaro

I am writing in response to your email and wish to emphasise that I deeply appreciate the efforts of NSW's Teacher Librarians, who play a valuable role in fostering literacy and a love of reading.

I have freely expressed that support in the past, most notably in a letter to all principals, as well as in the website message to which you refer.

Having said that, I am very happy to publicly re-state my support for the State's hard-working Teacher Librarians and to encourage them in their important professional responsibilities.

Thanks for bringing this matter to my attention, and please note I will also ask the Minister to respond to your concerns.

Yours sincerely
